2012 Global Youth Murals Project

Deadline: October 29, 2012

People to People International (PTPI), an organization dedicated to understanding and friendship among people of different countries, believes art is a universal language. Each year, we invite students worldwide to create Global Youth Murals, artwork that illustrates their cultures, communities and ideas about global issues and peace.

WHO MAY PARTICIPATE

Students ages 4-19 from kindergarten through grade level 12 may participate in the project.

NUMBER

A class/group may submit a maximum of three murals.

EXHIBITS

Murals will be displayed in galleries within the Greater Kansas City area of Missouri and Kansas USA from December 2012 to May 2013. Select murals will also travel to PTPI Chapters around the world for exhibits through our Global Youth Murals on Tour project.

AWARDS & RECOGNITION

Approximately three to six murals will be selected to receive awards according to three categories: primary, middle and secondary-school. These murals will be featured in PTPI's magazine, *People*, and recognized on our website: www.ptpi.org.

Winning schools/groups will receive \$50 USD for first place and \$25 USD for honorable mention in each category. Participants will be notified about awards in December 2012. All groups will receive a certificate of appreciation for their participation. Many murals will be photographed and featured in our online gallery and on the PTPI Facebook page.

QUESTIONS

Contact classroom@ptpi.org.

• CULTURE • COMMUNITY • FRIENDSHIP • PEACE •

Global Youth Murals illustrate students' unique cultures and communities, or concepts they believe represent friendship or peace. Murals have included flags, holy days, landscapes, landmarks, notable citizens/leaders, festivals, holidays and native cuisine, clothing or proverbs. Students have depicted their schools, homes or themselves.

Murals have represented friendships with pen pals in another country or students' opinions about current events. Murals also have illustrated students' ideas about PTPI's mission of *Peace through Understanding*. Students have created symbols of peace or depicted people of different cultures meeting, shaking hands or working together. There is no limit to your students' imaginations!

DEADLINE

Murals should arrive at PTPI World Headquarters by October 29 and may be submitted any time prior to this date. If you think your mural submission will arrive after the deadline, please contact us at classroom@ptpi.org.

Creating your Mural

DIMENSIONS AND MATERIALS

- Use white or brown paper or light-weight canvas (please do not use cardboard) measuring 20 inches wide and 60 inches long or 51 centimeters wide and 152 centimeters long. It is fine to attach two or three pieces to meet measurement requirements.
- Murals will be hung vertically, so please design accordingly.
- Students may use crayons (press hard for rich color), oil pastels, markers, paints and ink, or collage elements such as photographs. Please be sure that all collage elements are firmly glued in place. Please do not use charcoal. Laminated murals are accepted.
- Fill entire paper surface with color so no white or brown areas can be seen.
- Students may include text in their artwork. When possible, please include English translations of text.
- Teachers please photograph artwork in progress (optional).
