People to People International Presents New Board of Director

Kansas City, MO, USA (November 21, 2016) – Jason Thomas was recently elected to People to People International’s (PTPI) Board of Directors at the organization’s recent board meeting and 60th Anniversary Celebration. In addition to serving as a member of the Board of Directors, he will also be serving in the position of Treasurer.

Upon election to PTPI’s Board, Jason remarked, “I am honored and excited to have been chosen and elected as a board member of PTPI. Given the uncertain and tumultuous nature of international relations in today’s world, the work envisioned and started by President Eisenhower and his belief that peace requires understanding and mutual respect between people has never been more important, at home and abroad. To be able to be a part of this legacy and it’s continuation by PTPI and President Eisenhower’s granddaughter, Mary Eisenhower, is an honor that I look forward to serving.”

Mary Eisenhower, President and Chief Executive Officer, adds “PTPI is genuinely thrilled that Jason Thomas will be joining our Board of Directors. His extensive knowledge and passion for our cause is sure to inspire many.”

Jason Thomas is Senior Vice President with Northern Trust , a Chicago based investment and wealth management firm; Jason represents a national clientele from Northern Trust’s Atlanta office. Prior to joining Northern Trust, Jason served as a founding partner and Executive Vice President of Seven Software, LLC, a healthcare technology and information management company, as well serving as a Senior Vice President of Wells Fargo, The Private Bank, and PricewaterhouseCoopers. Jason earned his Bachelor in Finance and Economics at the University of North Alabama and his Juris Doctor from the University of Alabama School of Law. In addition to his recent election to the Board of PTPI, Jason also sits on the advisory boards of Accutis Pharmaceuticals, The Ark Labs, Better Options, LLC, and Seven Software.
